Jim,

I didn't realize you were already asked the question. Burt asked me about storage space and N 243 came to mind. Can't believe the door is not being installed.

Thanks,

Stephen

Jim,

Can the items stored in N255 be moved into N243 so work can begin in N255? If so we can get people to move shelving and material for you. New shelves will be ordered as soon as Eric sends me a quote. Please let me know.

Thanks,

Stephen
